### **EDUCATION BACKGROUND**

---

**09/2019 – Present**

Faculty of Science, University of Waterloo & School of Science, Beijing Jiaotong University

- B.S. in Materials and Nanosciences (co-operative 2+2 undergraduate program), 07/2023 expected
- Core courses: Geometry and Algebra, Calculus I & II, University Physics I & II (with Lab), Quantum Mechanics, Methods of Mathematical Physics, Physical Chemistry, Inorganic Chemistry (with Experiments), Organic Chemistry (with Experiments), Introductory Spectroscopy and Structure, Chemistry, and the Solid State, Materials and Nanosciences, Transition Element Compounds and Inorganic Materials, Principle of Chemical Engineering, Analytical Chemistry, Computational Physics, Materials and Nanosciences Lab, Biophysics, Physics and the Solid State, Biomaterials...

### **SKILLS**

---

- IELTS 7.5, CET-4, CET-6
- Python, Excel, Ps, Pr.
- Have two cats.
- Can watch movies for 10 hours.

### **RESEARCH INTERESTS**

---

- How to Make Hand Cream.
- How to Compress Powder into Tablets.
- How to stroke two cats at the same time.

### **RESEARCH EXPERIENCE**

---

**xx/202X – xx/202X** • To be written.

### **OTHER EXPERIENCE**

---

**03/2021 – 09/2021** •
